To Our Valued Customers,

Announcement of Pre-Export Verification of Conformity (PVoC)
for Used Vehicles Exported to Ghana

The **Ghana Standards Authority (GSA)** has officially announced the implementation of the Pre-Export Verification of Conformity (PVOC) programme for used motor vehicles imported into Ghana.

Omanbapa Auto & PVOC Ltd (OMANBAPA) and Autoterminal Japan Ltd. (ATJ) will commence pre-shipment inspections of used motor vehicles exported to Ghana and issue Certificates of Conformity (CoC) in accordance with **Ghana Standard GS 4510** and the applicable conformity assessment procedures.

Under this programme, all used vehicles intended for export to Ghana must undergo inspection and comply with the specified requirements prior to shipment.

Inspections will commence on 1 October 2026.

Exporters and stakeholders are advised to ensure that vehicles presented for export meet the applicable requirements to avoid delays in shipment and customs clearance.

For further information or to arrange an inspection, please contact Omanbapa and ATJ via;
